GONE TO REST

Wesley Sands was born November 10, 1881, and departed this life at his home in Doe Run on February 18, 1915, aged 34 years, 4 months and 8 days. He professed faith in Christ and united with the M. E. Church November 10, 1914, and since lived a devoted Christian.

He leaves a wife, mother, two brothers and one sister to mourn his departure. He said he was prepared to meet God.

We do not weep or think we have lost him, for we know he has passed from his earthly home to his eternal one.

The funeral services were conducted at the M. E. Church at Doe Run by Rev. Sides, after which the remains were buried in the Pendleton cemetery at Doe Run.

Peaceful be thy silent slumber in the Grave so low;

Thou no more shall join our number nor our sorrows know.

Yet again we hope to meet you for we know that you have gone.

Home, and ere long we'll come and greet you where no farewell tears are known.

A FRIEND.

WIFE and MOTHER

HELP WANTED—

MALE OR FEMALE

Bring along the undertaker;

Bring the butcher and the baker;

Fetch the dry goods man, the clothier and the draper.

Bring the preacher and the loafer,

With the teacher and the chauffeur

And then let them tell us how to run the paper.

Why sure! Anyone can do it.

It's a cinch. Pooh! Nothing to it.

It's a pudding job, a sinecure, a snap.

It's a simple proposition

That requires no erudition.

And experience—it isn't worth a rap.

So trot out the clerks and brokers,

Call the engineers and stokers

And bring the politicians off the street;

Fetch the busman and the plumber

With the ad man and the drummer

And we'll have them tell us how to run the sheet.

Won't it be a great convention?

'Twill attract world-wide attention.

What suggestions! What monitions!

What decrees!

But for fear there'll be confusion

Let us mention, in conclusion,

That we'll run the thing exactly as we please.

—E. F. McIntyre.

BUSINESS COLLEGE NOTES

Our school observed Washington's birthday as a holiday vacation. Nearly all of the non-resident boarding students went to their homes last Friday evening so as to give them quite a good recreation in general for the work now before them the remainder of the term.

Miss Lucy Burns of Esther was a caller at the College office Wednesday of this week, making inquiries relative to our course of study, tuition, etc. It is possible that Miss Burns will matriculate as one of our short-hand department students within the next ten days.

Prof. Moothart spent last Saturday afternoon in Esther looking after prospective students.

A free-will offering was made by our students and teachers this week, in behalf of the little Hunt girls, who were second in the piano contest recently closed in this city. Our contribution was indeed, freely given to these deserving little orphan children, and all being glad to aid in a small way at least in the purchasing of a new piano for them, remembering a Biblical command, it is more blessed to give than to receive.

Regular monthly examinations will be held Friday of this week.

Some new classes will be organized next Monday, March 1st. Young people planning to enroll with us during any of the succeeding months should come and make arrangements on or before March 22, so as to take advantage of our 25 per cent discount. If a prospective student cannot enroll quite that early he could make his tuition arrangement and take up the school work a month or so later.

Since last week we have received another solution to the Soda Water problem from Alphonso AuBuchon of French Village.

Prof. Beard was somewhat indisposed Tuesday afternoon, and William Moothart took charge of the Short-hand Department work.

Joseph Huber writes from St. Louis that he is still pleased with his position, and now feels virtually certain of being able to do the work satisfactorily right along.

Mr. Monroe Lewis of near Libertyville brought his daughter, Miss Maggie, in Tuesday, and is very anxious for her to pursue the bookkeeping course, also in case she can graduate in the stenographic department within a reasonable time yet.
